Shipping estimate \$75 per box of 50 tiles

All tiles are made to the customer's specifications.

Lead Time: Production time depends on the workload at the workshop in Holland.
We recommend placing your order as far in advance as possible, minimum 12 weeks.

Deposit: 50% of tile cost is required to place an order.
Balance due is required before shipment leaves Holland.

If an order is cancelled after submission to the workshop, the deposit is non-refundable.

Custom Orders (color, designs, size) require payment in full to place an order.

Dutch Tile Inc. is not liable for any delay in delivery due to causes beyond our control, including: Acts of God, governmental bodies (including U.S. Customs), delays in production or shipping or delivery delays caused by strikes, accidents or weather.
